

Pathfinder Fair

May 19, 2024

2024

Dear Pathfinder Directors,

I'm so excited that, once again, we will be able to spend time together serving our kids in the upcoming Pathfinder Fair. The event will be held at Fresno Adventist Academy. Exact directions are given on page 22.

Please let's remember that the fair is the time to celebrate our Pathfinder's accomplishments. We hope you will invite parents, relatives, friends, and your pastors to the Fair on Sunday, May 19, 2024. Our program will be like the fair we've held in years past, so please spread the word to your churches and schools so they may also come and support the clubs with their food sales.

Our prayers are with you as you make final preparations to spend this weekend together. Look forward to seeing all of you soon!

In Christ's Service,

Norma Villarreal
Jr. Youth Director

1. FAIR SET UP

Entrance to the school on Friday through Sunday will be no later than 9:00 p.m. Sunday arrivals need to park in the church parking lot across the street from the school field side and enter through the gate. If you arrive on Sunday with items to be used at the Food Boo, you must arrive before 9:00 a.m. No cars will be allowed in the Gate on Sunday after 9:00a.m.

Camping will be permitted for those coming from a distance on Friday and/or Saturday night. Each club that camps at the school will be responsible for the supervision and activities of their own club. Showers will not be available. Please bring your own drinking water.

We will have access to the GYM on Saturday evening following sundown. All work done at the Pathfinder Fair site should be done after sundown Saturday evening!!! Gates will be closed on Friday and Saturday evenings. If you must enter or exit the grounds, please ensure that you do so before 9:00 p.m.

2. FAIR SCHEDULE

Please see page 10

3. PARADE THEME

Our theme for the 2024 Pathfinder Fair is **“Believe the Promise”**. Bicycles, banners, and floats should carry this theme.

4. BANNERS, BOOTH, AND FLOATS

To be made and decorated primarily by Pathfinders, not staff. (Staff may supervise)

The theme should be on the banner, booth, or float. You may choose to make a banner, booth, or a float. A club may enter a banner, booth, and float, but points will be given for only one selection entered. No extra points will be given for all three, but clubs will be able to receive ribbons for their banner, booth, or float. Pathfinders are to participate as much as possible in the design and preparation of the banner, booth, or float. They should be completed before arrival. There will be some time to complete them on Saturday evening from 7:00 p.m. to 9:00 p.m. Judging will take place on Sunday morning at 8:30 a.m.

5. CRAFT EXHIBITS

Crafts are to have been made this Pathfinder year and please remember that **Adventurer’s crafts will not be judged.**

Please note the instruction sheet regarding individual exhibits on page 18. Your indication on the Participation Questionnaire on page 11 will help us in having an adequate number of tables available. Crafts may be set up in the craft exhibit area on Saturday night from 8:00 p.m. to 9:00 p.m. and on Sunday morning from 7:00 a.m. to 8:45 a.m. Craft judging begins promptly at 9:00 a.m. To obtain your Craft Points, you must turn in the Personal Exhibit Entry form on Page 20 to Sandra at the time of registration.

6. BICYCLES

To be decorated by Pathfinders, not staff

Bicycles should be decorated by the Pathfinders under the supervision of adults. Please note the time for judging. You may **enter only 2 bicycles** for judging; however, you may have up to ten bicycles in the parade.

7. EVENTS

All events will be held on the school green field. **Because of our time frame, only one team from each club will be able to enter each event unless your club membership is over 30 Pathfinders.**

8. JUDGING

The judging of personal exhibits, banners floats, booths and bicycles will take place as listed in the schedule.

9. UNIFORMS

If you are a **new club and don't have Class A uniforms**, all Pathfinders and staff should wear field uniforms (T-shirts and jeans). All other clubs should have Class A uniforms for the parade and drill competition. Field uniforms should be worn for field events. If you need to order T-shirts, please remember to place your order as soon as possible to make sure that you will receive your order on time.

10. PARADE

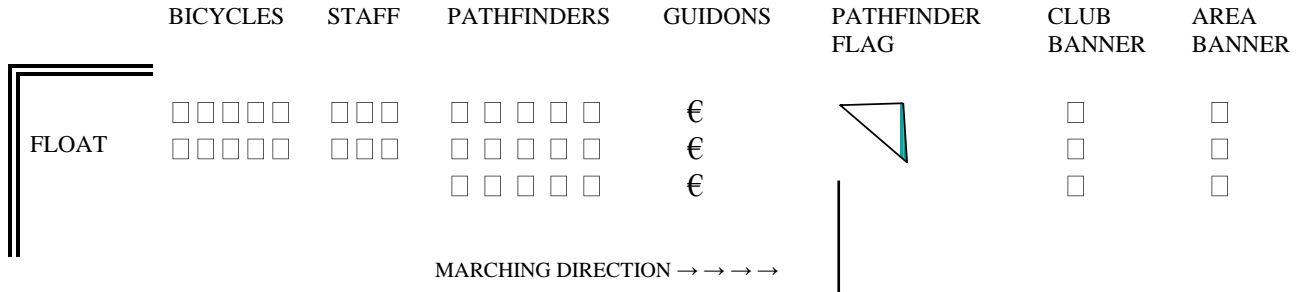

The staging sign will indicate Area and club positions. Please go to your sign.

- a) Parade lineup will be by Areas, with **Area 1 leading**. All other Areas proceed in scheduled order, **2, 3, 4, 5, 6, 7 & 8** All American Flags from the Pathfinder clubs will march in mass in a special color guard. In the case of a small club, they may choose not to have a flag bearer in this group. However, all American Flags will be together in one group; no individual club will have its American Flag marching with its club.

NOTE: The director will still give "Eyes Right" and salute as his club passes the reviewing stand.

- b) Please leave approximately 25 FEET between clubs. Marching will be either 4 ABREAST or 2 ABREAST. This is to accommodate the smaller clubs.

c) POSITION OF CLUBS SEGMENTS ARE AS FOLLOWS:

d) Please practice the following: Each club director will give the command “Eyes Right” when the club banner is within 10 feet of the reviewing stand. The Pathfinder flag and Guidons will drip and the entire club, except the right-hand column, will turn their heads right. The right-hand column will keep their eyes straight ahead. The club director will give the command “Ready, Front” when the last of the club has passed the reviewing stand. Only the director salutes.

e) During the GRAND PARADE your club should be able to execute:

Attention	Dress Right (close interval)	Ready Front
Present Arms	Order Arms	Left Face
Right Face	About Face	Eyes Right
Parade Rest		

11. FOOD BOOTH and SALES APPLICATION

Please complete the Food and Sales Booth application (page 23) and return it to Sandra by April 19, 2024. Each club wishing to sell food or non-food items must obtain a \$25.00 permit. **(Please note that no food or non-food items will be allowed to be sold without a permit.)** This will help each club make more money by not having clubs show up at the last minute and selling the same food or non-food items as other clubs. Clubs may sell food or non-food items if it is within the guidelines. In the case of too many clubs selling one item, choices will be made on a first-come first served basis for assignment.

Selling food or non-food items at the Fair is a way for clubs to raise funds for local Pathfinder Club projects. Food booths will be set up in the designated area only. Each club provides its own tables and camp stoves. Electrical outlets will not be available; please bring your own generator and heavy-duty electrical cord.

Please keep your prices within reason; you want to sell everything, not take it back home.

Let the Pathfinders help as much as possible. It will be a good experience for them and a lot of fun.

Meal cost reimbursement: The form provided by the Conference office must be turned in within 14 days and will be reimbursed in the form of a Conference check. Any forms not turned in within 14 days will not be honored.

PLEASE REMEMBER – NO SELLING OF FOOD DURING THE PARADE OR THE OPENING CEREMONIES!!!

You may sell food and non-food items Sunday morning until 9:45 a.m. and then following the marching and fancy drill.

12. PARTICIPATION

The Participation Questionnaire will help us in planning events and space requirements. Thus, we need your response as to your taking part in the activities. We, of course, hope you will join in all events and activities. **Please, submit by April 19, 2024**

13. PARKING

Cars may be parked in the school parking lot.

14. TRASH AND GARBAGE

All refuse must be placed in tied plastic bags for disposal in our designated dumpster. Clubs must provide their bags. **LET'S KEEP THE GROUNDS CLEAN!**

15. SUNDOWN SABBATH WORSHIP

There will be Sabbath sundown worship for all coordinators, clubs, and personnel who are on the fairgrounds that Sabbath evening at 7:00 p.m. Please plan to have your clubs join us in closing the Sabbath.

Drill and Marching

Attentiveness, teamwork, discipline, self-control, coordination, precision of movement and due respect and regard for others are best learned by doing and example rather than by abstract theory. Drill and marching provide an ideal venue for learning all these disciplines.

The drill team for each club shall consist of 6, 8, or 12 pathfinders, each club furnishing its own drill master. Clubs will perform for the judging of the drill event in the order called by the Conference Pathfinder Director. To utilize the time optimally, there will be 4 to 8 teams of judges so that several clubs can perform and be judged simultaneously.

The drill and marching event will consist of three sections as described in the following outline. (Numbers in parenthesis refer to page numbers in the Pathfinder Drill Manual, 1989 edition).

All commands in sequence by drill master.

A. Commands at the halt:

1. Fall in (p 16)
2. Dress right dress (p 18)
3. Ready, front
4. Open ranks, march (p 24)
(Inspection of unit – see B)
5. Close ranks, march (p 24)
6. Parade rest (p 8)
7. Stand at ease (p 8)
8. At ease (p 8)
9. Attention (p 67)
10. Present arms (p 9)
11. Order arms (p 10)
12. Right face (Mass command) (p 3)
13. About face (Mass command) (p 3)
14. Left face (p 8)
15. About face (P 8)
16. Fall out (p 18)

B. Inspection of the unit:

Inspection will occur immediately following the command “open ranks, march”, and prior to the command “close ranks, march”. The judges will inspect the following:

1. Shirt/blouse
2. Pants/skirt
3. Belt
4. Socks/hose
5. Shoes
6. Sash
7. Scarf
8. Patches and sewn emblems
9. Pins

C. Marching commands:

1. Fall in (p 16)
2. Dress right dress (p 19)
3. Ready, front (p 19)
4. Forward, march (p 11)
5. Right flank, march (p 20)
6. Column right, march (p 25)
7. Column left, march (p 25)
8. Column half by the left, march (p 25)
9. Column half by the right, march(p25)
10. To the rear, march (p 19)
11. Count cadence, count (p 10,11)
12. Left flank, march (p 20)
13. Company halt (p 11)
14. About Face (p 8)
15. Present Arms (p 17)
16. Order Arms (p 17)
17. Dismissed (p 17)

Drill and Marching – 2

Because much of the elegance of the marching drill is found in the rhythmic precision and dynamic symmetry of movement of the marching unit, the drill instructor is urged to practice calling out the commands in the dynamic cadence of the marching steps, with careful attention to starting and ending the command as the correct foot strikes the ground, thus leading the pathfinders into executing each movement starting and ending with the correct foot. And to utilize time optimally, as soon as the unit has completed the previous command, allow four marching steps (left, right, left, right), then call out the next command within the next four marching steps. This will ensure that you do not exceed the time limit of the drill event and will keep each marching unit in a more circumscribed area, with less risk of colliding with, or encroaching on, another marching unit. One point will be awarded for each command or maneuver, and one overall point will be awarded for performing the commands in the sequence listed above and within the prescribed number of steps.

Score:	Total possible point score	44
	First place (blue ribbon)	(40 – 44)
	Second place (red ribbon)	(35 – 39)
	Third place (white ribbon)	(34 and under)

Fancy Drill Demonstration

Any club that desires to enter a special unit to perform a fancy drill with extra choreography will be afforded the opportunity. The fancy drill team may wear enhancements to the uniform. Such as gloves, braids, sunshade, fancy shoes, head gear, or other ornaments, if the basic pathfinders class A dress uniform is worn. Feel free to use precision movements, fancy formations, elegant signal calls, and vocal response from the marching unit, drums, wind instrument, or other enhancements. But in the interest of time, keep the sequence of call moving expeditiously, and diligently observe a strict time limit of four minutes from appearance to departure.

CRAFT HONOR EXHIBIT

PLEASE READ CAREFULLY

Each exhibit at the Pathfinder Fair will be classified, judged, and awarded recognition. In order to make this process go more smoothly, please make sure each of the following guidelines is carefully observed:

1. All crafts must have been made during the past year as a Pathfinder project or as an honor. Crafts that were done before that time should not be exhibited. Obviously, any crafts that have been exhibited before would not be exhibited again.
2. Craft displays may be set up on Saturday night 8:00 p.m.-10:00 p.m. or Sunday morning from 7:00 to 8:45 a.m. Judging will start at 9:00 a.m. on Sunday morning. No crafts will be set up after 8:45 a.m.
3. Clubs will be responsible for displaying their own crafts in their specific area.
4. Each craft must have a Personal Exhibit Card attached (copies can be made from page 20). This card will be marked showing which ribbon was awarded. Please make sure these cards are attached securely, so there will not be any question as to which card goes with which craft. Please fill in the form completely so the judges can have the information they need to judge the craft appropriately.
 - a) Some crafts are easier or more difficult than they look. Please have the craft leader give an estimate of the amount of difficulty.
 - b) The conference will provide stickers to put on special needs kids' craft forms. The Director will need to pick up the stickers at headquarters during registration.
5. The Personal Exhibit Entry Form must be completed by Pathfinder staff before the crafts are exhibited and given to the person in charge of the craft display.
6. Each club will be given points for the percentage of participation by the club members.
7. PLEASE make your Pathfinders aware of the following rules for viewing the exhibits.
 - a) Displays will be open from 12:15 to 1:30 p.m. on Sunday only.
 - b) There will be NO food or drinks allowed in the building.
 - c) ALL Pathfinders must be accompanied by an adult to review the craft exhibits.
 - d) THERE WILL BE NO RUNNING OR HORSEPLAY IN THE AREA.
8. Please do not take your crafts before the display closes at 1:30 p.m. Crafts displays can be packed from 1:30 to 2:00 p.m. and again 2 hours after the closing ceremonies.

Pathfinder Ministries

Position on Sugar

We realize that the existence of refined sugar is not a sin. We also realize that the overindulgence of sugar does not prepare a person for heaven. Therefore, the Pathfinder Council spent a good deal of time discussing a reasonable middle ground. Wouldn't it be nice if we could report a definitive, consistent solution to this problem to make everyone feel comfortable? In the absence of such advanced thinking, we felt everyone should know that we at least wrestled with this subject and came to these conclusions:

1. No matter what we do in our personal lives, the Pathfinder clubs are ministries of the church and therefore should fully support our health message. Especially at the Conference level, the Pathfinder Council is committed to supporting these guidelines.
2. Although some sugar is O.K., the overindulgence of **refined sugar** or the appearance of overindulgence is not. We recognize that overindulgence is mostly a personal decision, and we can only influence our Pathfinders. However, our example of what we serve at Pathfinder functions affects greatly the appearance of overindulgence. Rather than trying to decide which foods or desserts inherently have more food value [such as a can of soda pop vs. cotton candy; candy bar vs. cookies, etc] we have addressed ourselves to what appears to be a good example of healthful living.
3. For Conference events, the food being sold is regulated to give everyone the chance to make a profit and give our event attendees a diversity of choice. To the Coordinator in charge of these "food permits" is given the added responsibility of deciding what foods are or are not appropriate at Conference Pathfinder events [with the Council's guidance]. We realize that this will not make everyone happy, and we will sometimes appear inconsistent. But you will be able to get a definite answer as to what you can bring almost immediately, and that answer should not change from event to event.

And so, in addition to our policy of **NO MEAT** and **NO CAFFINATED DRINKS**, we add **NO COTTON CANDY**, no **CANDY BARS**, and no **CUPCAKES WITH FROSTING**.

(We would like to encourage you to use more juice drinks instead of soda pop and to prepare food in low sodium and low fat, yet still making it taste good enough for every Pathfinder and guest to want seconds). [Maybe there will be cooking schools in Heaven to finally accomplish this, right?]

Thank you for your cooperation ☺

Important Reminder:

- Please remember that **pets are not allowed** at any of the Conference Pathfinder events or functions. Be advised that campground security will turn anyone with pets away.
- Absolutely **no glass items** will be allowed on the Fresno Adventist Academy Premises
