

SEED RELAY

- Purpose:** By a taking part in this relay the pathfinders will complete requirement 5, 6, and 7 of the “Seed Honor”. The remaining requirements and collections can be completed in the pathfinder meeting.
- Equipment:** Supplied by the Conference
A bucket with the names of seeds in it.
A board with the headings; Food, Oil, Spices
- Team:** Six Pathfinders
- Procedure:** At the signal to begin a pathfinder will run to the board and draw out the name of a seed.
The pathfinder will then place it under one of the three headings. They will continue this, one pathfinder at a time, until they have placed at least ten seed names under the food list, five seed names under the oil list and five seed names under the spice list.
When they have completed the lists they will then check with the judge for their score.
- First place:** Correct placement of 10 seeds for food, 5 seeds for oil and 5 seeds for spices.
- Second place:** Two to four incorrect entries
- Third place:** Five or more incorrect entries.
